

Ravenshall

all different | all equal | all important

16 March 2026

Dear families,

I am writing to remind everyone about the importance of safe parking and driving arrangements at the start and end of the school day.

The safety of our pupils is always our highest priority. Recently, Transport Police visited the school and raised concerns about vehicles parking, pulling up, or manoeuvring close to the school gates while children are arriving and leaving site. This creates a significant safety risk for our pupils, many of whom are particularly vulnerable around traffic and busy environments.

I therefore ask all parents and carers to avoid parking, stopping, or turning near the school gates.

Please park safely away from the entrance, ideally across the main road, and walk to the gate. This small step will help us to keep the area around the school entrance as calm and safe as possible for everyone.

We know that drop-off and collection times can be busy, and we appreciate your support and cooperation in helping us protect all children, families, and staff.

Thank you for your continued understanding and support.

Yours sincerely,

Mr R Robinson
Headteacher
