

25 April 2025

Dear families,

“Animal Antics” Drop Down Day – 29 April 2025

A reminder that Tuesday 29 April, we will be our ‘Animal Antics’ Drop Down Day at school. It will be a non-uniform day and a £1 payment which will go towards the animal charities supporting us on the day, can be made via ParentPay.

Through interactive activities, storytelling, and creative expression, students can share their love for their pets while also learning about responsible pet care and animal welfare. The day will foster empathy, communication skills, and a sense of community as students connect over their shared appreciation for animals.

For those who have not already done so, please complete the form to enable your child your child to interact with animals in school.

Thank you for your continued support.

Yours sincerely,

A Keen

Mrs A Keen
Discovery Phase Leader
