

Ravenshall

all different | all equal | all important

11 March 2024

Dear families,

Lots of Socks on Down Syndrome Awareness Day - Thursday 21 March 2024

Down Syndrome Awareness Day is taking place on **Thursday 21 March** this year. To mark the event, and to raise awareness both in school and our local community, we will be holding a 'Lots of Socks' campaign, celebrating everything that makes all of us different and yet the same.

School uniform must be worn, but to celebrate the day we encourage everyone to wear their **brightest and boldest socks** to celebrate. These might be mismatched socks or the craziest or most colourful socks, whatever takes your fancy!

Thank you for your continued support.

Yours sincerely,

C Collins
