

Ravenshall

all different | all equal | all important

22 June 2026

Dear families,

With the current hot weather, Ravenshall is taking proportionate steps to keep pupils safe and comfortable, including adapting PE and outdoor activities, using shade and cooler spaces where available, encouraging regular drinks, and monitoring pupils carefully for signs of heat-related illness.

If your child has complex medical needs /enhanced medical vulnerability and you are concerned that the heat may make attendance unsafe, please contact school as soon as possible so we can discuss the individual risks and any adjustments. If, on medical grounds, you feel your child needs to remain at home during extreme heat, please follow the usual absence reporting procedure and we will consider this in line with our attendance policy and any relevant medical advice.

Yours sincerely,

Rik Robinson
Headteacher
