

Ravenshall

all different | all equal | all important

29th January 2021

Dear Parents/ Carers,

I hope that you are all safe and well.

Firstly, we would like to say a huge thank you for your supportive and positive feedback about the work that your children are completing at home, online and in school.

It has been wonderful to see pupils engaged and accessing their learning activities in different and creative ways! The pupils are clearly enjoying having contact with staff and their peers.

We understand that technical issues can make things a bit awkward at times, and I know many of our staff have worked hard to support you to solve these.

It has been lovely to see the faces of many parents and carers during online learning sessions and have face to face communication with family members that we haven't previously met. Thank you to all of you who are supporting your children with their home learning.

On Monday 8th February and Tuesday 9th February we will be holding Parent/ Carer consultation appointments to discuss all areas of your child's development. Teachers will be in touch with you to arrange a time.

I would like to remind you that we are always here in school to help and support you during these extremely challenging times, so please get in touch with your child's class teacher if you need to.

Many thanks for you continued support,

Ravenshall Senior Leadership Team

Head Teacher: Mrs J Tate
