all different | all equal | all important

2nd March 2021

Dear Parents and Carers

Thank you for your assistance with the changing COVID arrangements we have put in place to keep everyone as safe as possible since September. This has been greatly appreciated.

As a result of your continued support, our group rota system has allowed us to bring pupils back to school with their safety and welfare being the key priority.

In line with Government announcements, we are now making plans for a full return for all children and young people who attend either Ravenshall School Main site or Ravenshall's Post 16, PfA Pod.

Following the careful monitoring and evaluating of our current arrangements with the Leadership Team, Kirklees school transport, the Governing Body and by speaking to parents and carers, it has been agreed that the school would implement the following plan which we hope will support the transition of all pupils back in to school on a full-time basis.

- Week beginning 8th March – A&B groups continue
 - Group A - Monday, Tuesday, Wednesday
 - Group B – Thursday, Friday
- Week beginning 15th March – **ALL PUPILS IN FULL TIME** and will be taught in class groups
- Week beginning 22nd March – **ALL PUPILS IN FULL TIME** and will be taught in class groups
- Week beginning 29th March – **School closed for Easter**
- Week beginning 12th April – **ALL PUPILS IN FULL TIME**. Secondary pupils will return to subject led timetable

School transport have been informed of our plans. If your child usually travels to school with them, it is expected that they will contact you directly to share 'pick up and drop off' arrangements. If you require more information regarding travel to school plans, please contact the School Transport Team directly on 01484 221000.

If you need further information regarding this plan or clarification about any other school issues, please feel free to contact your child's class teacher via the usual way.

Our sincere thanks to everyone for your patience and understanding. We appreciate your support in ensuring that Ravenshall pupils have had the best transition period during these difficult circumstances.
