

# Return to school in September

We are currently preparing for children to return to Ravenshall School in September. To ensure this is done effectively we would like to know how you think we can support your child to return to school. Please answer the following questions so we can understand better the needs of your child so they can transition back to school efficiently and safely. We may not be able to act on all suggestions, but as you know, Ravenshall School prides itself on having strong home school relations and your views and thoughts are very much appreciated. Thank you in advance for taking the time to respond to the following questions and we look forward to hearing from you.

Please respond by Wednesday 1st July to allow us time to make all the necessary preparations.
